The South Carolina Ground Water Association’s 25th Annual Winter Meeting & Trade Show will be held at the Seawell’s Conference Center on Friday, February 21, 2020. The program features educational workshops, continuing education credit, a trade show, a live auction, door prize drawings, regulatory and legislative updates, and networking with industry peers. Please join us in celebrating the water well industry of South Carolina.

**WORKSHOPS**

These workshops provide 3 of the 12 continuing education hours required by LLR every two years for drillers in South Carolina. The program has also been approved by North Carolina: CE PIN# CP19023.

**8:30-9:30am**
**Safety Review - Rose R. Stancil, Rose Stancil Environmental**
Rose Stancil owns Rose Stancil Environmental in Lexington, SC. She offers an array of services with a primary focus on Safety Training, OSHA required Manual Development and Updates, and Customer Service Training. In this session, Rose will cover safety manuals, personnel protective equipment, site safety, and personal responsibility.

**9:30-10:30am**
**Well Connect: An App Designed Specifically for Well Drillers - Alan Bixler, Grundfos Pumps Corporation**
Alan Bixler is a Senior Technical Sales Manager for the East Groundwater Irrigation Region at Grundfos Pumps Corporation. In this session, he will introduce the new Grundfos’ Well Connect app and explain how its use can: (1) improve well construction productivity by logging project information 24/7 on-site and uploading and storing project permits and files, (2) collect better well installation data by recording well drilling reports, borehole geophysical logs and pump records, and (3) provide well owners with a better understanding of the construction project by creating graphic well visuals.

**3:00-4:00pm**
**The Hydrogeology of South Carolina - Joe Gellici, Department of Natural Resources**
In this session, Joe Gellici with the Department of Natural Resources will discuss the hydrogeology of South Carolina, display and discuss 15 to 20 actual core samples, and introduce other DNR projects. In addition to the trays of core samples, he will also supplement his presentation with posters and other materials.

Door Prizes 12:45-1:00p
Scholarship & Defense Fund Auction 1:00-2:30p
Hydrogeology Workshop 3:00-4:00p

SCHOLARSHIP & DEFENSE FUND AUCTION
Regulatory and legislative issues continue to impact the well drilling industry, and SCGWA, as the only organization protecting your rights in SC, must be positioned to meet these challenges. We will host our 19th annual auction during the Trade Show to raise money for the Scholarship & Defense Fund, money that is used to fight threats such as mandatory connections, drilling restrictions, and cumbersome regulations. Proceeds from the auction are also used to fund an annual scholarship program that is offered to children, grandchildren or a spouse of an SCGWA member. We encourage you not only to come to the auction prepared to shop but to also donate an item to be sold. Help us protect the rights of consumers to use your services by making a contribution. Support the Scholarship & Defense Fund Auction!!!
